ABOUT US

Junior Achievement is the world's largest organization dedicated to giving students the knowledge and skills they need to own their economic success, plan for their future, and make smart academic and economic choices. Alongside our volunteer mentors, we provide hands-on curriculum programs surrounding preparation for the workforce, personal finance, and being entrepreneurial that help youth unleash their own boundless potential and achieve a fulfilled future.

THE TOURNAMENT

The Junior Achievement Golf Classic is a charity golf tournament that unites companies, executives and volunteers to further our mission of helping students identify, navigate and achieve a fulfilled future.

We would be honored to have you and your company join us at the Junior Achievement Golf Classic hosted by SPX Flow at Ballantyne Country Club. Each guest is encouraged to join us for a networking breakfast before the tournament and an awards reception immediately following play.

While social distancing and Coronavirus precautions will be practiced, we understand if you're unable participate in-person events at this time. Corporate sponsorships with player participation can be amended and virtual player donations are graciously welcomed.

TOURNAMENT LEADERSHIP

Ryan Taylor | Vice President, Community Engagement, SPX Flow
