

DISCOVER A PATH TO YOUR FUTURE

Virtual Program Serving Grades 9-12

p2c Pathways2Careers

In Pathway 2 Careers students in grades 9-12 will focus on concepts such as **business, careers, choices, goal setting, salaries, resume building, work values and more.** The 20-hour virtual program is aligned to state standards and concludes with a career profiler, job fair, career signing day, and a certification deeming them financially and career ready.

Primary learning objectives for P2C:

- Identify personal interests, skills and career possibilities.
- Evaluate the risks and benefits of saving and investing.
- Create a career pathway research poster presentation and digital career notebook.
- Learn social and soft skill competencies relating real-life experiences to job skills and preparing students for their future careers.
