

JA Be Entrepreneurial[®]

Empower your students for what's next through JA Be Entrepreneurial - a program that builds confidence, creativity, and critical thinking while helping students turn ideas into action.

Why Participate?

1. **Real-world Impact:** Help students connect classroom learning to real challenges they care about.
2. **Skills Development:** Students build confidence, critical thinking, collaboration, and communication skills using hands-on lessons.
3. **Support:** JA provides curriculum and guidance to bring real-world perspectives into your classroom.
4. **Optional Extension - Pitch Experience:** Interested students can take their ideas further by applying to the options JA Social Innovation Challenge, a Shark Tank style pitch competition where selected teams present to local business leaders.

How It Works:

- Complete the registration form to bring JA Be Entrepreneurial into your classroom.
- You'll receive turnkey JA Be Entrepreneurial digital curriculum materials.
- JA will share details about the Social Innovation Challenge, where interested students or teams can choose to apply.
- Selected participants will develop and pitch their ideas to a panel of judges in a regional competition.

ELIGIBILITY

JA Be Entrepreneurial: Open to high school classrooms (grades 9-12).

JA Social Innovation Challenge: Optional opportunity for individual students or small teams who want to deepen their experience by presenting their idea to a panel of judges against other schools in the region.
